

JUNGIAN
PSYCHOANALYTIC
ASSOCIATION

VIRTUAL OPEN HOUSE

**To learn about training at the
Jungian Psychoanalytic Association**

On Wednesday March 4th 2026, 6:30pm - 8:00pm (ET)

The program for Wednesday, March 4th will be a brief presentation on the nature of depression through the Jungian lens by senior analyst and past president of the JPA, Margaret Klenck, M.Div., LP.

Attending will be our Director of Training, Matthias Leutrum LP, NCPsyA, our President, Allison Avery, as well as candidates currently enrolled in LQP and IAAP programs who will speak about their training experience, followed by an information session with our Director of Admissions.

Event Zoom link will be posted on March 2nd at:

<https://jpanewyork.org/eventes-conferences/>

Training with the JPA leads to International Certification as a Jungian Analyst and provides the required education to become licensed in Psychoanalysis (New York State: LP). Please visit the JPA's website for details of the two programs:
